

Brentwood Elementary School of Business and Leadership

When parents **choose** to send their children to Brentwood Elementary, they acknowledge that the school maintains policies, curriculum, and expectations that are unique to Brentwood. By enrolling their children in a **School of Choice**, parents accept the importance of our policies in making Brentwood students successful, in creating a safe and positive learning environment.

By signing this contract, parents demonstrate an understanding and commitment to honor our policies that are unique to Brentwood. By signing this contract, parents recognize that failure to honor this contract may result in exclusion from Brentwood Elementary School.

Please initial next to each contract item:

_____ We, parents and guardians, understand that Brentwood Elementary School is a School of Choice, and by signing this contract we acknowledge that every family must accept and honor this contract, as it will make Brentwood unique, successful, and desirable.

_____ We, parents and guardians, understand that there is no transportation provided to students who attend Brentwood. Students must maintain regular attendance, prevent excessive tardies, including early pick-ups, and must be picked up by 2:40 every day. Habitual tardiness, early pick-ups or late pick-ups may result in exclusion from Brentwood.

_____ We, parents and guardians, understand that parent involvement is what makes our students so successful. We understand we must go through a volunteer training before we can help out in the classroom, attend field trips, attend parent conferences or participate in any classroom setting.

_____ We, parents and guardians, understand the importance of strong student discipline in order to maintain a safe and positive learning environment and to set and enforce high expectation of student behavior. We accept the 7 Habits of Highly Effective Kids and understand any disruptive, defiant, unsafe behavior may result in placement or expulsion from this school and or district.

_____ We, parents and guardians, understand that in order for our child to reach his/her potential and to truly benefit from Brentwood Elementary, we must support him/her, including making school a priority, working at home with our child, and staying actively involved in their lives, in and out of school.
